

2020-21 State Conference Updates

SkillsUSA Maine is committed in providing the best, high quality leadership and skills opportunities to our students. Amid the current Covid-19 pandemic our priority is the health and safety of our members and partners during any of our events. Because of this we can make the following statements about the Fall Leadership Conference and the State Championships.

Fall Leadership Conference – Will be a one-day virtual event. As of this time we are looking at October 30, 2020 during the school day. We are working with our National Office to provide a dynamic event with the opportunity for your students to complete follow-up work to earn their Statesman Award.

SkillsUSA Maine Championships – Will be a hybrid event with many contests being run virtually and others on a regional basis, small group settings at this time. We have not ruled out any option at this time, so if the opportunity allows, we might be able to do larger groups or a full live event this year. We are planning to hold all our contests currently in March. Please understand that we will do our best to keep you informed with any updates and/or changes.
